

# LibQUAL SURVEY

## YOU TOLD US:

- 90% of you use the Library at least weekly
- more than 94% of you are happy with the Library service and facilities.

## YOU PARTICULARLY LIKED:

- our modern equipment
- the Library website
- Library staff.

*Thank you - we like it when you like what we do!*

Thank you for your feedback in the LibQUAL survey held late last year - we received around 2000 responses. And three lucky people won iPod Touches.

*I love you my dear Library*

## YOU THOUGHT WE COULD DO BETTER AT:

- providing **QUIET** study space.

## WHAT ARE WE GOING TO DO ABOUT IT?

- We will **POLICE** noise
- we will provide **MORE SPACE** for quiet study in the Biological Sciences Library
- there will be more quiet areas during exam time and more obvious **SIGNAGE** of quiet and group study areas.

And a bonus:

- You can now **EAT** in the Library!
