

How to register for a ResearcherID

UQ STAFF

This guide provides an introduction to setting up a [ResearcherID](#) for UQ staff.

- ✓ **Setting up a NEW ResearcherID**
If you are a UQ staff member and would like to register for a ResearcherID please complete the following steps:
 1. Send an email to: espace@library.uq.edu.au
 2. Add 'RID request' in the subject line.
 3. Include your full name and UQ username (UQ login) in the email.

- ✓ **Registering an EXISTING ResearcherID**
If you already have a ResearcherID account and want to link it to [UQ eSpace](#), please complete the following steps:
 1. Send an email to: espace@library.uq.edu.au
 2. Add 'RID link request' in the subject line.
 3. Include:
 - a. Your ResearcherID
 - b. UQ username (UQ login)
 - c. The email address you currently use for your ResearcherID account.

- ✓ Records added to ResearcherID accounts from the [Web of Science](#) will be imported into UQ eSpace, the institutional repository.

- ✓ **Important:** You will need to keep your ResearcherID account publications up to date. ResearcherID does **NOT** automatically update with new publications.
