Reference

LIBRARY
Enriching world-class scholarship

The UQ/Mater McAuley Library houses several collections including the Classics of Surgery Collection - a series of historical surgery books donated by the Neely family in memory of the late Professor Mervyn Neely.

The library also has a reference collection including dictionaries, encyclopedias and other quick use information.

Books, journals, videos, and DVDs are available for borrowing. Many journals are also available online – check the library catalogue.
