## HTML LINK VALIDATOR (v 4.39)

Lithops Software

<http://lithopssoft.com>

[hlv@lithopssoft.com](mailto:hlv@lithopssoft.com)

- US\$49 for a Business Licence
- Can be used as freeware, but the most useful functions, like instant access to the faulty link to edit it, are only available after registration
- Personal licence doesn't provide reports.

## FLASH DECOMPILER (v2.9)

Eltima Software

<http://www.eltima.com/products/flashdecompiler/>

- US\$60 to register,
- Demo version too limited
