UQFL124
William Cottrell-Dormer Collection

Size 10 boxes

Contents Papers relating to the career Mr William Cottrell-Dormer as an agricultural scientist. Includes correspondence, reports, reprints, maps, publications, photographs, 35 mm slides and rolls of negatives from his time spent in Tonga, the Territory of Papua and New Guinea and the Queensland Department of Agriculture and Stock. The publications include books, papers and articles on sugar cane entomology, plant pathology, sugar technology, horticulture, rural organisation and agricultural extension. Cottrell- Dormer also authored a series of simple papers and books for native agricultural extension purposes in Papua and New Guinea.

Biography William Cottrell-Dormer was born on 27 August 1901, in Rolle, Switzerland. His Primary Education was done in France and he completed his education in Australia, obtaining his B.Sc.Agr.(1931) and M.Sc.Agr (1936) at University of Queensland. His manuscript collection includes a very detailed Curriculum Vitae describing in detail the projects he undertook as they relate to his career in Papua New Guinea and Tonga:
  1939 – 1944: Director of Agriculture, Tonga
  1944 – 1945: Horticulturist, Queensland Department of Agriculture and Stock
  1946 – 1951: Director of Agriculture, PNG
  1951 – 1961: Principal Agricultural Officer (Extension) in Field, PNG
