

UQFL158

Karl Langer Collection

Size	89 boxes, 1 parcel, approximately 1100 plans
Contents	Architectural drawings, financial records, correspondence, biographical and personal notes, articles, speeches, job photos, subject files, diaries, journal and newspaper cuttings. Buildings which drawings and files relate to include St. Peters Lutheran College, Brisbane; Ipswich Girls Grammar School; Ipswich Boys Grammar School; Lennons Hotel, Brisbane and Lennons Hotel, Broadbeach.
Biography	Dr Langer graduated in Vienna as an architect from the master class of Peter Behrens. He migrated to Australia in 1939, and settled in Brisbane. He became a lecturer at the University of Queensland, and later also at what is now called the Queensland University of Technology. He was fellow of the Royal Australian Institute of Architects and of the Australian Planning Institute. He was also the first president of the Institute of Landscape Architecture, and an executive member of the National Trust. He designed many of Queensland's best-known buildings, including the chapel at St. Peter's Lutheran College in Brisbane.
Notes	Open access. Access to personal correspondence is restricted. Application to access restricted material may be submitted to the Fryer Librarian for consideration. Records in this collection are listed to folder level only. Related manuscript material is held at F3208 Records of the Langer Memorial Committee and UQFL157 Gertrude Langer Collection.
