Contents
Lectures, addresses, reports and correspondence of J G P Ryan

Date range
1963 to 1992

Biography
James Geoffrey Pennefather Ryan was born 19 January 1921 in Brisbane. He was educated at the Church of England Grammar School and the University of Queensland. He was a Captain in the Royal Australian Engineers from 1942 to 1945, seeing service in New Guinea and Bougainville. He graduated from medical school in 1951 and entered general practice. From 1975 to 1986, he was Professor of Community Practice at the University of Queensland.
