Transcripts of hearings in the Industrial Court of Queensland in relation to an industrial dispute between the Electrical Trades Union of Employees of Australia, Queensland Branch (ETU), and the South East Queensland Electricity Board (SEQEB), 1985

Date range
1985 to 1991

Biography
In February 1985 the Queensland Government reacted to an industrial dispute between ETU members and the SEQEB enterprise by dismissing around 1100 SEQEB linesmen and recruiting a new workforce on individual contracts. The dispute continued into 1986, becoming one of the most bitter in Queensland’s history.
