Biography
The newspaper cuttings cover various aspects of grain growing, marketing, export and tariffs, transport, etc. Grains covered in the cuttings include wheat, maize, barley, sorghum, linseed, safflower and soybeans. The cuttings also cover activities of marketing associations such as the Queensland Grain Growers' Association, Barley Marketing Board, Grain Sorghum Marketing Board and the Vegetable Oil Growers' Association. Newspapers clipped include: Courier Mail, Sunday Mail, Grain Grower, Toowoomba Chronicle, Land, Kingaroy Herald and Country Life.
